IMAGING

Scanner

M3093EX Departmental Document Scanner

A quality, high-performance simplex scanner designed for document imaging applications.

- Scan rates of 27 pages per minute
- Supports Fujitsu's ScanRight™ image processing technology options for increased image quality
- Option slot for third-party boards
- Resolutions from 200 to 400 dpi and 256 steps of grayscale
- Flatbed and built-in, 50-page automatic document feeder
- Scans documents from 5.8" x 8.3" up to 8.5" x 11" in size

Fujitsu's M3093EX high-performance scanner delivers faster speed, advanced paper handling, true ease-of-integration and compatibility with hundreds of document imaging applications. What's more, Fujitsu's list of standard features includes built-in automatic document feeders for rapid unattended scanning of multi-page documents, and a flatbed for scanning books, bound reports and fragile originals.

ScanRight™ Technology Makes It Better

The M3093EX add support for Fujitsu's ScanRight image processing technology that can dramatically increase image quality through automatic separation and noise removal while providing specialized features such as image edge-enhancement and dynamic thresholding. Paper handling capability has been enhanced through an improved automatic document feeder design, which includes locking paper guides that help eliminate skewing. An internal options connector slot has also been added to the M3093EX providing connectivity for third-party options such as 256-step grayscale boards.

Compatibility and Support

The M3093EX incorporates an RS-232/video interface widely used throughout the imaging industry and includes built-in emulation for its predecessor ensuring continued compatibility with existing applications plus an upgrade path that extends throughout Fujitsu's entire line of world-class, document image scanners.

Product Migration and Compatibility

- M3093EX scanners will run in emulation mode making them plug-and-play compatible with existing applications that currently support the M3093E scanners. However, new drivers are required to access the newer features.
- The Fujitsu ScanRight image processing board is supported by certain versions of the video tool kits from Kofax, Xionics/GGX and Dunord. Please check with these vendors for proper driver versions.

Maximizes Your Up-Time

Fujitsu backs each M3093EX series scanner with a one-year warranty. It's our commitment to providing you the ultimate in performance, reliability, and service. Also available during the warranty period is ScanCareSM, the industry's first full preventative maintenance program to keep your scanner operating at peak performance. Call (800) 626-4686 for further details.

About Fujitsu Computer Products of America

Fujitsu Computer Products of America is a wholly owned subsidiary of Fujitsu Limited, one of the world's largest computer companies with \$37.7 billion in worldwide revenue. Benefiting from Fujitsu Limited's \$3 billion annual investment in research and development, Fujitsu Computer Products provides innovative solutions for the U.S. marketplace. Current product offerings include:

high performance hard disk drives, tape drives, magneto-optical drives, high volume scanners, and printers.

M3093EX Departmental Scanner Specifications		
Models	M3093EX	
Functional Specifications		
Technology	Charge coupled device (CCD) image sensor	
Resolution	200, 240, 300, 400 dpi	
Halftone patterns	64-step and error diffusion	
Grayscale	256-levels via third-party slot	
Scanning speed @ 200 dpi letter size	27 ppm	
Scanning mode	Simplex	
Document feeding mode	Automatic document feeder (ADF) and flatbed	
Emulation mode	M3093E	
ADF capacity	50 sheets	
Document Size	ADF minimum	5.8 in. x 8.3 in. (A5)
	ADF maximum	8.5 in. x 14 in. (Legal)
	Flatbed maximum	8.5 in. x 11 in. (Letter)
Interface	RS-232/Video	
Physical Specifications		
Power requirements (auto-switching)	110V/220V	
Operating environment	Temperature	5°C-35°C
	Relative humidity	20%-80% (non-condensing)
Power consumption	100 W or less	
Dimensions (HxWxD)	6.8 in. x 20.8 in. x 14.8 in.	
Weight	28.6 lbs.	
Reliability Specifications		
MTBF	10,000 hours	
MTTR	30 minutes	
Limited warranty	3 months on-site / 9 months depot	
Options		
ScanRight image processing board		
ScanCare Program
